HOUSE OF DELEGATES.

FRIDAY, November 12, 1875.

FRIDAY, November 12, 1875.

The House met at 10 o'clock. The session was opened with prayer by the Rev. Webb of North Street M. E. Church.

The report of Messrs. McEhlowny and Pritchard, the dissenting minority of the Investigating Committee, (which will be found upon our third page) was read, and on motion of Mr. Good, of Ohlo, was laid on the table and ordered to be printed.

Mr. Mason, of Jefferson, moved that the reports he made the special order for Tuesday next. Upon this question a very general discussion ensued, growing, at times, pretty warm, and somewhat personal. The debuie was a sort of jockeying process, the object of which seemed to be to forecast the status of persons and parties on the impeachment question. The discussion finally terminated in fixing Thursday, the 18th inst, as the day upon which to enter on the consideration of the reports and the articles of impeachment.

Mr. Campbell, of Hancock, moved that all bills haid on the table at the adjournment of last session be put upon the Calendar to take their place in the regular order of business.

The following bills were offered and re-

The following resolutions were offered and adopted:

By Mr. Gettinger, ordering the Secretary of State to furnish each member of the House with a copy of the Code.

Mr. Reynolds offered a petition by J. W. Barilett and others, and asked that it be referred to the Committee on Judiciary.

Leave of absence was asked by Mr. Cartille for Mr. West until Tuesday; by Mr. Miller, for Mr. Stone for fifteen days.

Mr. Reynolds, of Taylor, called up his resolution amending Rule 2 of the Standing Rules of the House, so as to make the hours of meeting 9 A. M and 2 P. M. Upon this resolution there was a rambling debate, after which the amendment was rejected, and the House adjourned to meet at 10 A. M. to-day. They refer to Chapter 221 of the Acts

OUR TIMBER LANDS.

Commissioner Burdet, of the Land Office, will in his forthcoming report strongly recommend that all the timber lands owned by the Government be appraised and thrown open to purchase at not less than their appraised value. He is of the opinion that unless they are thus placed under private guardianship the fine forests of the country will soon be wastefully exhausted by lumber companies and speculators, who are now stripping the land of its timber under cover of the "Dunning" pre-cumption entries, or without any pretense of compliance with the law, while the Government derives no revenue from its property and the country sustains almost an irreparable damage from the sweeping denudations damage from the sweeping denudations of large areas of its water sheds. ## New York Dry Goods

New York Dry Goods.

New York, November 12.—There was an improved undertone in the market, and cotton goods were steady, but in moderate demand. Plaid prints were more active in first hands and robes and shirtings in fair request. Colored cottons continued dull. Fancy cassimeres sold in large lots at low prices. Worsted coatings were in better demand and foreign goods ruled quiet.
